Dear Ray,

Thank you, Ray, for your prompt and quality service in assisting us with the purchase of our school's marquee. We've received several positive comments and inquiries about the attractive marquee in front of our building, and we are very pleased with our community's reaction.

It was a pleasure to work with you. We appreciated your timely and professional service and look forward to working with you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Lois J. Nash". The signature is written in black ink and is positioned above the typed name and title.

Lois J. Nash,
Principal
