Dear Larry:

Thank you so much for completing our signage and for doing the work free of charge. Your generosity means so much to all of us here at the YWCA Greater San Bernardino.

As you know, families in our community need the childcare, education and other family stability services we provide. While all of us are susceptible to hard times, children are at the most risk, and they make up the largest number of clients we serve.

Your generosity will allow us to have more funding to help many of these families. We hope to help them not only to meet the essential daily need of childcare, but to work toward a brighter future with upcoming programs in job training, education and counseling, as well as our hallmarks of racial justice and economic empowerment of women and young girls.

Thank you again, and we look forward to your continued support.

Sincerely,

Sylvia E. Cagle  
Interim Executive Director
